Cotton Bath Puff Crochet Pattern

MATERIALS:

- H crochet hook
- 2 ounces worsted weight cotton yarn (such as Sugar 'n Cream)
- Yarn needle
- Scissors

STITCHES:

- Ch = chain
- Sc = single crochet
- Sl st = slip stitch
- Sp = space
- St = stitch
- Sts = stitches

PATTERN NOTES:

1. Gauge is not important in this pattern. You will also find that there is not a stitch count after every round. This is due to the fact that the stitches are counted as you work them instead of counting them at the end of the rounds. There are way too many stitches to count at the end of the rows.

2. If you want a bigger bath path, use an I crochet hook. You will need 3 oz. of cotton yarn for the bigger puff.

PATTERN

Round 1: Ch 6, join with a sl st to first ch to form ring.

Round 2: *Ch 5, sc in ring*, repeat 27 times from * to *. (*You will find that the stitches get very tight in this round. Gently push the stitches to the right to move them out of your way.*)

Round 3: (*beginning of hanging loop*) Ch 35, sc in ring. Sl st in the first ch-5 loop to the left of the hanging loop.

Round 4: *(ch 6, sc) 10 times in same ch-5 loop, sl st to next ch-5 loop*, repeat from * to * for each ch-5 loop.

Round 5: (*completes hanging loop*) You have now worked your way around the bath puff and are positioned to the right of the hanging loop. Sl st in the first ch at the bottom of the hanging loop that is closest to your hook. Sl st in each ch of the hanging loop.

Round 6: Sc in the first ch-6 loop to the left of the hanging loop. Sc in each ch-6 loop around the entire bath puff.

Cotton Bath Puff Crochet Pattern

TO FINISH:

1. After you complete Round 6, you are now back to the right side of the hanging loop. Sl st in the bottom ch (on the right side) of the hanging loop.
2. Leaving a length of tail for sewing, FO.
3. Thread the tail through your yarn needle. Run a few sts in the center of bath puff and pull tight. This will help the bath puff to keep the shape.
4. After satisfied with the look of your bath puff, knot tail several times and weave in to hide.

FINAL NOTES & CARE INSTRUCTIONS:

1. Wash bath puff with like items (cotton shirts) in washing machine on gentle cycle in cold water.
2. Tumble dry low with like items (cotton shirts).
3. I do not recommend washing the bath puff with towels because the lint from towels clings to the bath puff!
4. The bath puff takes a little extra time to dry while hanging in the shower. Be sure to squeeze all of the water out before hanging it up.
5. Make yourself several so that while washing a bath puff, you have one to use! 😊

Thank You!
