PATTERN NOTES

1. This pattern is worked in a continuous spiral stitch. You will need to mark the last st of the round with a stitch marker or safety pin. Do not join rounds!
2. We also suggest keeping an extra safety pin handy to hold your working stitch when you need to put your project down.
3. This pattern is worked in 2 parts - the ladybug's body and the ladybug's head. After the two parts are made, they are sewn together using your yarn needle.
4. This wristlet can easily be turned into a purse by making a longer drawstring!
